Welcome to our 25th annual "born to perform" bull sale on May 11th at 2:00 pm (cst) at the ranch.

If you're in need of herd sires, then take a few minutes to review the bulls that are competing to be in this years' sale offering.

It's amazing how much these bulls change phenotypically and structurally from winter to spring and to see the bloodlines that have faster growth curves and change in frame score from weaning to sale day. We believe the sires represented in this years' sale will be hard to find anywhere else and the popularity of these sires will only grow in the future as you look and compare these bulls in our spring sale and see how they performed. Sires represented in this sale are Baldrige Command, Basin Payweight 1682, Prairie Pride Next Step, Youngdale Believe, Vintage Commander, GDAR Leupold, Connealy Guinness, Connealy Countdown, Coleman Charlo, Tex Demand, Baldrige Bronc, Connealy Black Granite, Willow Creek Payweight 5228 and others.

These bulls are being developed in their 13-acre winter pasture and get plenty of exercise and will be ready to go to work for their new owners.

We invite you to stop by anytime and view the sale offering and we look forward to seeing you May 11th!

Thank you for your continued support and patronage
